

Brista

Brista, loves getting her nails done and her hair done. She has a wonderful sense of humor and loves to laugh. She is truly a pleasure to be with. Brista loves animals, with birds and penguins being her absolute favorite. She would like to become a Vet Tech someday. She has a great imagination and enjoys crocheting and doing arts and crafts.

Brista requires a structured environment due behaviors that stem from her diagnosis. She receives therapeutic services to address her mental health and behavioral needs. Brista currently takes medication and is diagnosed with ADHD, PTSD, Tic disorder and PDD.

Brista needs a loving family who is willing and able to provide her with a high level of structure. Because Brista needs a lot of individualized attention, she would do better in a family where she is the only child or only one other child in the home. Brista needs a family who understands her special needs and is willing to go the extra mile with her.
