

Delshawn

Meet Delshawn! Delshawn is 13 years old. He is very creative and likes building things. With the warm weather he enjoys being outside and has been working on building a fort in the woods. He has a great personality. He has a witty and sarcastic sense of humor. He has an old soul and has been compared to an old man. He enjoys word puzzles. He is a self-proclaimed “nerd” though he is not wild about school.

Delshawn’s forever family will need to be willing to support very important relationships with his grandparents and siblings. They will need to support his therapeutic needs on an ongoing basis. He would do best as an only child.
